

Note Couture

Hi,

One of the most frequently asked questions I'm asked is ... *when are you going to do post it notes?* As I regularly explain - there is only one supplier within Australia who has the license and equipment to print post-it notes: 3M. If I want 3M to print post it notes for me, I would need to order a minimum quantity of 400 ... of one design!! This just isn't feasible, plus they couldn't be personalised, which is of course one of the highlights of Note Couture products.

So, as much as I would like to keep all my business within Australia, this is not possible. So I've been looking into ways I can utilise an overseas company, and have come up with the following (test) option ... hopefully it's not too convoluted!

You will need to order directly with me via email as post it notes will not be available on the website in the short term. Email me the name of the image and the name/message you would like printed on them. We would then liaise re payment (either a call with credit card details, or emailing of direct transfer details).

I will then go online at Vista Print and 'assemble' the post it note, upload the Note Couture image and add your personalisation, then purchase on your behalf, to be delivered directly to you. It will be a little bit of trial and error, and a lot of the typefaces I have, won't be available at Vista Print, so I will let you know when I receive your order if I think there may be a problem with anything.

To make it cost effective, as the post it notes are shipped from Belgium, you would need to order a minimum of 5 to 10 post-it notes (each with the same image/personalisation), The cost for this would be \$35 for 5, or \$55 for 10, plus postage. Turnaround is generally 7-14 days and there are three shipping options:

- Priority shipping: 9 days - \$13.99
- Standard shipping: 14 days - \$13.31
- Slow shipping: 21 days - \$9.57

Size of the post-it notes is 74mm x 74mm, they only come printed on white paper and there are 50 sheets per pad.

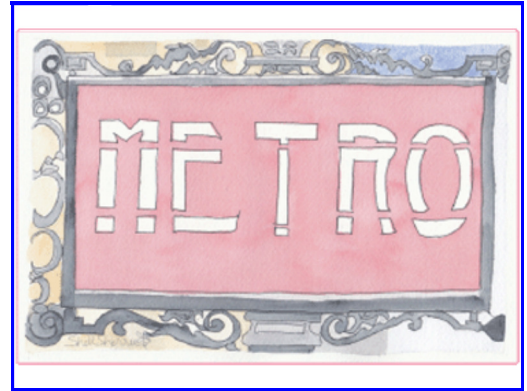

I will be trialling this for the next 4-6 weeks, as I need to determine if the post it notes will sell at this price before I add them to the website (it's a lot of time/work to do this) - so please email me with your order if you'd like some.

Fabulous new illustrations for August.

Two more gorgeous illustrations by the very talented Shell Sheree - [Macarons by Geranium!](#) (you probably

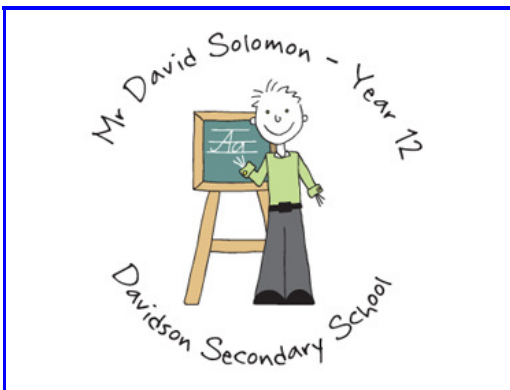

know all about my Macaron addiction!), and [Paris Metro](#) (come to think of it, I have a bit of a Paris addiction too).

Cute new designs for teachers (or those who need to buy presents for your child's teacher). I've been having some fun playing around with letters and colours - so check out [read](#), and [learn](#).

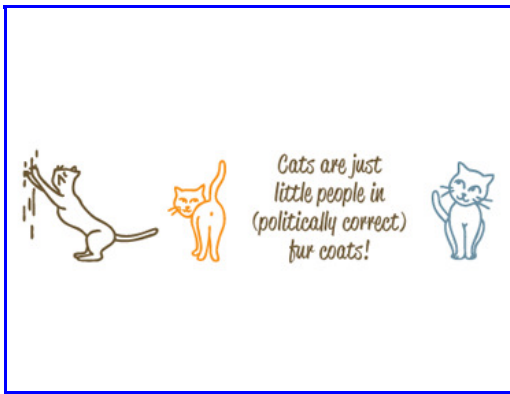

Plus I've added two new illos for male and female teachers and encircled them with the teacher's name, school year and school. These two designs can be found in the [Womens/Teachers Collection](#) rather than the Characters Collection.

Lot of happy new Doodle Girls too - [At the sales](#), [Doin' the jitterbug](#), [Off to play Badminton](#), [On the mobie](#), [Jogging with Miss Daisy](#), and [Suzie June and her hot water bottles!](#)

Brenda from SA emailed me with a fabulous quote - Cats are just little people in fur coats - so check out the pic we came up to go with it - I amended it slightly to read [Cats are just little people in politically correct fur coats](#). Thanks Brenda.

Save the Date Cards

New to Note Couture - Save The Date cards - they're the perfect way to let friends and family know the date of a forthcoming big occasion prior to finalising all the details. They contain the date of your special event - be it a wedding, a milestone birthday, anniversary or renewal of marriage vows. Which means that guests from out of town can organise travel and book accommodation and attendees that live close by can pencil the date in their diary making sure that they will be able to attend. There are five styles available - you can find them in the Womens Collection, sub category 'Save the Date'.

Father's Day

Fathers Day is just around the corner - Sunday September 4 - and the last day I'll be accepting orders for delivery pre Fathers Day will be Saturday August 27 for despatch Tuesday 30 August, so time to get your thinking cap on :-)

#1 item on Shopping List

I thought it would be fun to be able to add a #1 item on your Shopping List. So now you can have Tim Tams on every page (or whatever your 'can't live without' item is). If you're buying a Shopping List with categories let me know what category you want it added under (if it's not obvious!), otherwise I'll pop it where I think relevant. Shopping Lists without categories will have the #1 item printed on the top line of the left column.

As usual, please don't hesitate to contact me if you have any queries, feedback or suggestions - either by email at Julie@Notecouture.com.au or mobile: 0419 573 954. Look forward to catching up again next month - and remember, if you no longer wish to receive my newsletter, please click on the unsubscribe link at the base of the page.

Cheers,
Julie
