

Note Couture

And the winner of the 'Health Set' is

Patricia King is the lucky recipient of a Food and Exercise Diary, Menu Planner and Shopping List (with magnet) - valued at \$105 including postage. Congratulations Patty :-)

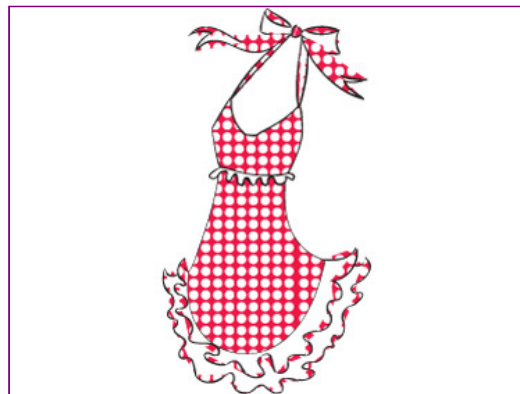

By the way - if you happened to buy NW magazine last week, you may have seen Note Couture's Food & Exercise Diary featured in their Body Blitz section - thanks NW!

There are some gorgeous new illustrations this month:

A new illustrator has joined Note Couture - Shell Sherree. I 'met' Shell via her etsy store - she produces glorious inks and watercolours - as she says - *a whimsical version of armchair travel* - and Shell is especially fond of Paris and Venice - two of my favourite cities. So now you can purchase Note Couture stationery featuring some of her lovely illustrations. But wait, there's more ... (no, don't worry - no ginzu knives!!) you can also buy Shell's gorgeous pics via her etsy store (<http://www.shellsherree.etsy.com/>) or view her blog (which is a terrific read) at <http://www.shellsherree.com/> More of Shell's pics will be added to the website in the coming months, but in the meantime, check out [Kitty Kat in Paris](#) and [Life's a Beach](#).

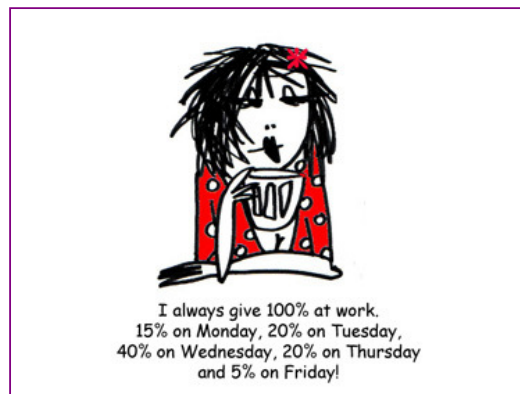

For the cooks and crafty people amongst us, new illustrations from Kathryn Fletcher are this cute [Apron](#) (very fun for recipe cards) and [Knitting](#).

Beautiful new flower pics from Amy Shaw this month are [Lotus Flower](#) and [Pansy](#).

The Gorgeous Ladies have got their tongue firmly in cheek (!) with ... I won't be in today, my hair won't start! and I always give 100% at work. 15% on Monday, 20% on Tuesday, 40% on Wednesday, 20% on Thursday and 5% on Friday.

Even after all that scrummy chocolate at easter, you can never have enough (well, I can't!!) - so I've added Problem + Chocolate = Solution. (Especially if you add a coffee into the equation).

Owls are 'big' at the moment (a 'trend' I heard about at last year's Stationery Fair in New York) - so take a peek at Oswald's Banner. Gorgeous in so many ways - and lots of fun as a kid's party invite.

The txt spk range has been very popular, and due to popular demand BFF has been added to the selection of emoticons available ;-)

As usual you can view these new illustrations via the home page at <http://www.notecouture.com.au/> - at the top of the home page you will see 7 new illustrations - click on the 'view more' wording to see the full selection of recently added illustrations.

Make your Correspondence Cards and Notecards that little bit more special.

New to Note Couture is a sophisticated and elegant Deluxe Box to keep hold of your collection

of note cards or correspondence cards. The chic Deluxe Box, available in fashionable black, will not only look stylish on any desk but make it a whole lot easier to have your cards at your fingertips. Or if you are buying notecards or correspondence cards as a special gift and want them to look even more wonderful, then get one of these boxes to pop them in - they will look super upmarket for the small additional cost of \$15.00. (The easiest way to find the deluxe box on the website is via the [Search](#) page - tick the Deluxe Box' box in the list of formats and then click on the Search button at the base of that list, and hey presto!) This image shows the box with deluxe correspondence cards and tissue lined envelopes in the Elegant Name Five design.

If you have a minute ...

I'm sure anyone who has kids will be aware of Kidspot.com.au - I've advertised on their website since they began and they're a terrific go-to site for all sorts of info and services. They've just added a 'User Reviews' area against all their online suppliers. So if you're a Kidspot member and feel like reviewing Note Couture's products, then click here, and add your comments:

<http://www.kidspot.com.au/parenting-directory/Birthday-Invites-gift-cards+96/Note-Couture+26431/National.htm> All reviews greatly appreciated ... well, nice ones of course!!

A reminder about some of our special facilities

Search

I often receive emails from people asking me if there are specific illustrations on the website - if you're searching for a particular pic, then don't forget to use the Search page - on the left side you will see an 'Image Search' box - type in whatever you're seeking - just bear in mind, it needs to be at least 4 characters long - eg: cats not cat, then click the Search button underneath that box, and all images with cats in them will be revealed.

My Favourites

See an illustration and love it or think it would be perfect for that special someone's next gift, then add the illustration to 'My Favourites'. When the time comes and their birthday is looming, simply log on and click on the My Favourites link at the base of the page, and all of your favourite illos will be there waiting for you.

My History

This service only works if you've used the same login each time you've purchased (I say this because some people have 2-3 user names/logins) If you can't remember which illustration or item you purchased for Aunt Sal last year, then you can click on the My History link (at the base of each page) and again, once you've logged in, it will show you your purchase history.

As usual, I love to hear from you - so please contact me if you have any queries or concerns - either by email at Julie@NoteCouture.com.au or mobile: 0419 573 954. Catch up next month - and remember, if you no longer wish to receive my newsletter, please click on the unsubscribe link at the base of the page.

Cheers,
Julie
