

Note Couture

Now there's even more value for money at Note Couture ...

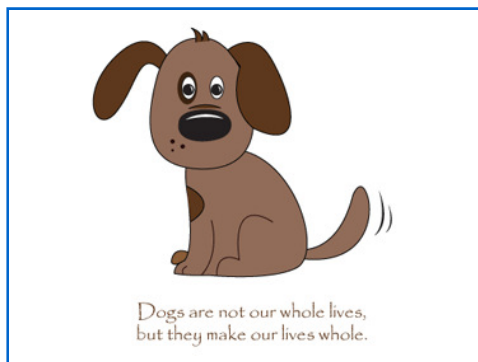

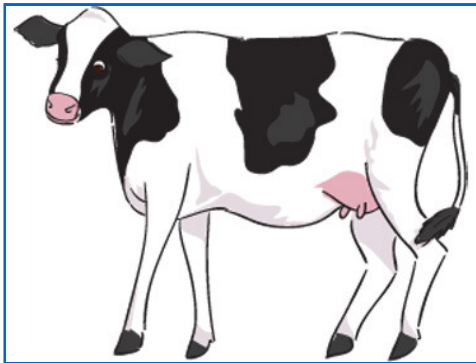

I'm always trying to find ways to give great value for money. So I thought a good way to do this was to 'bundle' items into a stationery set eg: buy 3 items (for the one person) and you get a reduction on the total cost of the goods. So here are two new options to give you 'more bang for your buck' :-)

Stationery Sets have been added against the 12 top selling designs. This comprises a To Do List (with fridge magnet), a Notepad and a Mini Notepad - normally these 3 items bought separately sell for \$46, but the Stationery Set is priced at just \$40 - terrific value. (Note that only one name can be used across the three items).

Note Sheets are now available in two pack sizes - the traditional 100 sheets for \$22, or 150 sheets for \$28 - both sizes come in the cute white box

New illustrations this month:

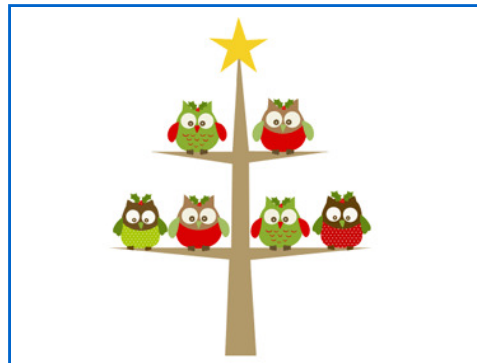

I'm trying to please everyone this month. It's a big animal month! I have had many requests for a cow pic, so check out [Moo](#); for the cat lovers we have [A cat is a person](#), and for dog lovers, [Dogs make our lives whole](#).

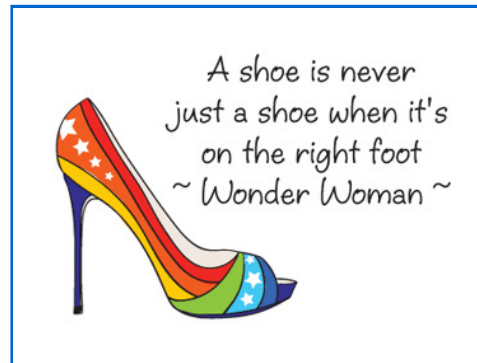

More animals with these great new kids pics: [Dear Bear](#) and [Whirlybird](#).

As the current owl illustrations have all been so incredibly popular, I have added Christmas versions: [Oswalds Christmas Banner](#), [What a Christmas hoot](#), and a new one: [Hooty Owl Christmas Baubles](#) - adorable.

Shoe lovers rejoice with [Buy amazing shoes](#) and [Wonder Woman's Shoes](#).

Bring out your inner princess with [Princess Crown](#), and last but not least [Home is where the heart is](#).

Phew - no wonder I'm exhausted!

Newsletter Frequency

I'm thinking about changing the newsletter frequency from monthly to twice a month - that way I can make the

newsletter a lot shorter and easier to read (this month's newsletter is a bit like a book there's so much happening!), and you can find out as soon as new illos are uploaded to the website.

However I'd like to get your feedback as to how often you'd like to receive the newsletter. Can you please click [here](#) to let me know if you'd like to receive it once or twice a month. (And if I do decide to change to sending it out twice a month, you will be given the opportunity to still only receive it monthly if you prefer.)

Deluxe Notecards

One of my regular customers contacted me last week as she wanted some Deluxe Notecards for her Mum - so I made some especially for her and was so impressed with how they looked that I am adding them as an additional option on the website. These are VERY special - printed on pure white 250gsm card, they come with tissue lined envelopes and are packed in Note Couture's gorgeous Deluxe Card holder - a black fabric covered box with black lining, and the Note Couture logo silver foil stamped on the lid. This is an exceptional gift for that someone special in your life, or you could even spoil yourself. 12 notecards and envelopes are \$75, or 25 for \$125.

A (very) small number of Note Couture T-Shirts

While was cleaning up my store room the other day I came across some t-shirts I had printed when I first started Note Couture. Rather than leave them sitting on the shelf, I'd like to offer them to you at a bargain basement price of \$20 plus postage. A word of warning - they are a very small fit t-shirt - eg: a size 12 would best fit a size 8-10. They're a scoop neck t-shirt with short sleeves, in a good quality cotton (and there's a good amount of stretch in them).

Flat measurements are:

Size 12: underarm to underarm - 40cm; length - 58cm

Size 14: underarm to underarm - 42cm; length - 61cm

There are three versions - all Gorgeous Ladies pics, and I have 3 x size 12, 1 x size 14 in each design:

[I gave up shopping once, it was the worst 15 minutes of my life](#)

[I can't be having another crisis, I just had one!](#)

[I'll drink no more wine until it's in my glass!](#)

First in best dressed (well more like politically incorrectly dressed - they are the Gorgeous Ladies!) So if you're interested in any of these, please email me - julie@notecouture.com.au and let me know which illustration and size(s) you'd like, and we can sort out payment then. (They're not available via the website.)

Are you a Note Couture virgin!?

Occasionally I receive calls or emails from people who are a little unsure how to navigate their way around the Note Couture website. I'm the first to agree there's a lot to see on there, and if you're not terribly computer/website savvy, it can be a little daunting to place your first order. So if you fit into this category, then you're very welcome to call me on the mobile and I can 'hold your hand' while you place your order- run you through the process, give you tips on searching for items, setting up your username/password, and generally make the process a little less confusing. I'm available pretty much anytime Monday-Friday up until 8pm (Melbourne time), Saturday afternoons, or even Sunday (but you would need to email me to sort out a time in advance so I could make sure I was near the computer or my iPad). So please don't be a stranger if you'd like a website tour.

And as usual, don't hesitate to contact me if you have any queries, feedback or suggestions - either by email at Julie@NoteCouture.com.au or mobile: 0419 573 954. If you think any of your friends would be interested in reading this newsletter please #forward_to_a_friend#

I look forward to catching up again next month - and remember, if you no longer wish to receive my newsletter, please click on this #unsubscribe# link.

Cheers,
Julie
